NEED GUIDANCE ON HOW TO ANSWER APPLICATION QUESTIONS? CHECK OUT THIS SAMPLE APPLICATION VERBIAGE:

Q Please describe the items that will be purchased with the funds:

A **“District-wide radio communication system. Purchase includes towers, radio equipment and individual radios.”**

Q Please describe how these purchases fit-in with the allowable uses of funds for either ESSER, GEER, or both?

A **“Developing and implementing procedures and systems to improve the preparedness and response efforts of the Local Education Agency. Our district does not currently have a unified communication radio system. We want to implement and streamline communications for safety of students and staff. This is a high priority to ensure open communications for reopening.”**

Q Please describe how this purchase is reasonable, necessary, and allowable in accordance with Cost Principles:

A **“District radio communications system will enhance communication throughout the district in an array of situations. Most importantly it provides a direct line for school sites to use during a critical incident. Allied agencies will also have the ability to patch into the system using current equipment to be in contact with the District officials in critical incidents.”**
